

**DBJ - BUDGET AUTHORIZATION**

The district budget serves as the control to direct and limit expenditures. Overall responsibility for this control rests with the superintendent, who will establish the procedures for budget control and reporting throughout the district.

The approval of the annual budget by the Board of Education provides authorization to the superintendent, or his delegated representative, to expend any or all of the amount appropriated to the limit of the budget category.

Adopted: Before 2009

Revised: July 13, 2009
