

**GCN - EVALUATION OF PROFESSIONAL STAFF**

In order to assure a high quality of teacher and administrator performance to advance the instructional programs of the Highmore-Harrold School District #34-2, a continuous program for teacher and administrator evaluation shall be established by the superintendent and regular reports shall be made to the Board concerning the outcomes of these evaluations.

Teachers and administrators will be evaluated at least on an annual basis.

Evaluations should provide feedback to teachers and administrators noting strengths, as well as areas needing improvement.
